My father
is a
policeman.

The radiant
uniform...
Oh Daddy! I love
you so much!

I remember that I was very happy until that shot killed my parents...

Our dad is upright.

There's no way he did that thing.

Those bastards
put heroine in
our house to
trap dad.

Unfortunately,
we don't have
evidence.

Though I don't know
everything exactly,
I believe what my
brother said.

Now, brother
is my only
relation.

Oppai
Where do
you go?

I can't let
those
bastards live
carefreely
like that. I
have to clear
father of a
false charge.

That's great. So
we can come back
home. This place
is dirty and cold.

I don't
like this
place.

You have
to stay
here and
wait me.

I will be
back and
take you
home.

Do not grumble.
Because of
father's honour,
you have to act
well-behaved.

I was only six.

Wait me!
Do not
leave
anywhere.

I definitely
come back
and take
you home!

That promise.

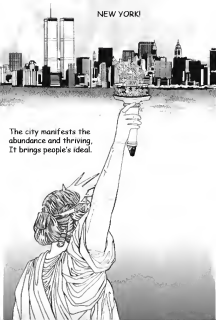

He hasn't modernized
during 12 years.

New York,
Summer 2001

NEW YORK!

The city manifests the
abundance and thriving.
It brings people's ideal.

The radiant uniform and
the sweet smile...

The robber
must be
around here.

Aw, we haven't
eaten
anything but
still have to
go on patrol?

.....

You already
bought
hamburger
and cola?

What?

Maybe oppa
is a
policeman
now...

I promise...

Please save
me...

Hunter is our
consternation.

It's the dark hell in
his hand..

My dad is an
upright and
impartial
policeman.

So I have to
take
responsibility
for what I have
done. I can't
sully dad's fame.

Hunter is too scary

to such an extent that I forget oppo's recommendation

He's too audacious to touch Hunter's thing. I also have to take care of my life.

How
much?

How agile! Look so
stately.

But you
absolutely can't
let Hunter know
about this thing.

How much?

Come to my room
at 9 p.m. And I
will let you know
how much.

9 p.m.?

Surprised

Such a cute kid.
Thank to you.

Hug

Chapli is strange.
There's no reason why I
don't have to meet Hunter?

keep his
promise.

Of course. What do you think?

Don't say unluckily.

The girl whom he saved and sold again and again is Roy. He acted like he is a dotty.

You think if Hunter did that thing with Roy?

That thing never happens.

I don't believe.

He wanna swallow up that girl in the first time.

I will leave now Roydi has to wait for long.

Hunter!

I will run away to
evade this place.

It's so unfair. You
leave me behind.

They're all
crazy. It
might result
in a murder.

No one
can stop
him.

I heard that
he saved me.

But he has
sold me
many
times.

He's not my oppo.

Please give it to Hunter.

What's this?

I don't know. It was sent from a detective's office.

I can't meet Hunter... So please give it to him.

Okay.

Luckily!

Catch it!

Pseud, hate
are such bad
words.

You
shouldnt
keep them
in your

Yes,

I won't
hate
anyone.

Mark asked me to

said it's urgent.

It comes
out Sandy.
It has
been a
long time.
About six
months?

Poor Sandy
Why does she
choose
Hunter?

What's
this?

I ought not
to let her
see this
scene.

It's because she
came without
knocking the
door

Look at you!
You act like a
three-year-old
kid.

Shut up!

Why is everyone
crazy about that
girl?

She's just an

Anyway, people

Am I

Enough!
Calm down.

I won't say

What do
you say?

I'm not kidding
you. I thought

It would be

you...

Unfortunately,
that thing
never

Sandy
really
likes
Hunter.

Maybe
I'm also
partial
to
Hunter.

There's nothing else
besides the fear.

Sorry for let everyone wait. Now I represent Mrs. Kraft to say something.

This is the request that you have to stay here for 2 months.

And young master Kraft will decide the remaining.

Everyday, he will spend two hours on being with each of you

Are you kidding me? I have to go to Paris next two days.

If you stay here for 2 months, we will provide for each of you three hundred thousand dollar

I just represent Mrs. Kraft.

Obviously, they're millionaires.

Let's comply. If you go to Paris, you will lose a big amount of money.

I will be back later.

Miss Roy Huh-Seul

He's so handsome... Such a nobleman. An elegant and bright face.

Mr. Hart. These ladies?

Ah, Mistress invited them.

Wow, my brother... ah no, our brother.

So beautiful. Is your hair dyed or natural?

I have never seen this colour before.

Excuse me.

It would be great if he were my brother.

Are you not happy? If I become the daughter of this family,

I will very proud with my friends.

Not that girl.

Diana is more quiet.

this choice

Francis is shown from the side, looking towards his mother. He has long, wavy hair and is wearing a light-colored shirt. His mother is partially visible in the background, looking at him with a concerned expression.

Tomorrow I'll
go on holiday in
Morocco. This is
the best place
for this
summer.

Francis

A close-up of Francis's mother looking exasperated. She has short, curly hair and is wearing a dark top. Her hand is raised near her face in a gesture of frustration.

God! He's
so
stubborn!

Francis is sitting on the floor of a room, looking down with a sad expression. He is wearing a light-colored shirt and a dark tie. A small dog is sitting next to him, looking up at him. There are some toys and a star on the floor.

It's so
boring. Why

I know
but...

to be your

Oh, so it's the thing. If you don't explain, I might misunderstand.

Yeah, don't misunderstand.

But, if I can't ask...

If you're afraid, then don't.

I agree!

Good girl.

I have

No, you
don't need

that.

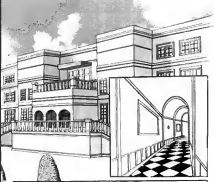

You can thank

And to make
it's more
interesting, I
will have a
bonus for you
if you win.

That you
and me...

... I will
tell you

You're
unlucky.

... and never

Who came

I will make a

That doll...
